

RULE OF MOVEMENT AND ACKNOWLEDGMENT AND ACCEPTANCE OF RISK IN TIMES OF MOOSE HUNTING IN MATANE WILDLIFE RESERVE

RULE OF MOVEMENT

During the period of the moose hunting (**September 5 to December 21, 2017**), to circulate on Road 1 and / or the practice of hiking the International Appalachian Trail - Québec (IAT-QC) you must:

- Acquire an access (daily in the case of the short hike) at the office of **International Appalachian Trail - Quebec**, located on the second floor of the tourist office of Matane (Matane lighthouse) in the 968 du Phare ouest, Matane. You can contact us on hours of operation **between 9 and 16 pm, Monday to Friday** at **418-562-7885** or by email at info@sia-iat.com. **Please plan to get your right of movement during the week.**
- Persons must comply with dates, times and places mentioned in access and in addition they must put their access rights on the dashboard of their vehicle so that it is readable from the outside and carry it on them and in this case, present it upon request of an wildlife officer, an assistant to wildlife protection or an area warden.
- Wear orange vest;
- Only move and hike between 9 am and 16 pm.
- Must travel only in the following areas (listed to the access right): sector#1 (**Charles Édouard-Vézina Mount, roundtrip only**, from the parking lot des Pins, Road 1), sector #2 (**Valley of the Creek of Pitounes, roundtrip only**, facing the road leading to the Matane River 2 cottage, Road 1) sector #3 (**Duvivier River, Tombereau Lake, West Creek Falls and West Mount, roundtrip only**, with starting near the Matane River 4 cottage, Road 1). The sector #4 (**Matane Lake**) is only available for long hiking, from **Poste John to Matane Lake** or from **Matane Lake to Cap-Chat River** (Nicol-Albert / Petit Sault). For **Nicol-Albert** and **Chute Hélène** sector you have to apply the same rules and obtain a right of movement.

RECOGNITION & RISK ACCEPTANCE

I acknowledge having been informed about the traffic rules and I am aware of the risks of hiking during hunting season in the territory of the Matane Wildlife reserve and I am able to undertake the activity or stay in ALL KNOWINGLY AND ACCEPTING THE RISK that can have this experience or activity. I am also committed to play an active role in the management of these risks by adopting a preventive attitude towards me as well as against other people around me.
