

IAT-QC MEMBER ADHESION

Your membership adhesion contributes to the maintenance and the continuous improvement of the trail while also contributing to environmental protection around the trail. The price of an annual membership is 10\$ per person. You also have the possibility of paying for more than a year at a time (1year/10\$ or 3years/30\$ or 5years/50\$). The members of the IAT-QC have access to services offered by our network of partners. Furthermore, the members are kept informed of what's going on on and around the trail, by a member newsletter.

New since 2008! To facilitate and upgrade the renewal process, we have developed two new renewal options which allow you to **confirm your long-term membership**, that is by opting for a lifetime membership or by opting for an annual automatic renewal which can end upon request.

The lifetime subscription is available on a \$200, \$250, or \$300 donation, which can be paid in either 1, 3, or 5 years, according to your choice. For example, you could choose to donate \$250 over five years (\$50 per year). This commitment is considered as a donation to the IAT-Qc and in exchange, as if you had bought a piece of the trail, you will be presented as a lifetime member in a new section of the website. We would like to receive a photo of you and a small text to introduce yourself and to explain your interest in the IAT-QC. This new section will be preserved and maintained over the years with the addition during the next decades of new lifetime members of the IAT-QC. Do not hesitate to communicate with us for more information on this subject.

If you opt for an annual automatic renewal, you will receive an invoice automatically every year. You could also opt for an annual automatic renewal by credit card. If you wish to cancel, just contact us.
