Customer info

The campground includes 1 lean-to (4 walls shelter) of 3.7 m X 3.7 m which can accommodate 4 persons, and 2 wood platforms of 3.7 m X 3.7 m which can accommodate 8 persons. 2 tents of 2 persons per platforms. The tents must be installed on the platform. There's also a dry pit toilet on the campsite. The maintenance is the user's responsibility.

A food support (anti-bear) is also on the campground. It is use to hang at 4 m from the ground the hiker's food, to keep the bears and other wild animals away.

You must bring your own tent, sleeping bag, mattress, camping stove (camping heater), matches, pocket lamp, plates and utensils, food, toilet paper, first aid kit.

There's a watering place near the campground. The water may not be drinkable: it's recommended to boiled water or even treated it with some product. It's allow to do fire only in the specific spots and only if the drought level is not too high. The hikers must record themselves at the beginning of visitor's permit for these places: John entrance of the Matane Islet entrance of the Cap-Chat ZEC.
