Customer info

The campground includes 1 wood platform of 3.7 m X 3.7 m which can accommodate 4 persons. 2 tents of 2 persons per platforms. The tents must be installed on the platforms. There's also a dry pit toilet on the campsite. The maintenance is the user's responsibility.

A food support (anti-bear) is also on the campground. It is use to hang at 4 m from the ground the hiker's food, to keep the bears and other wild animals away.

You must bring your own tent, sleeping bag, mattress, camping stove (camping heater), matches, pocket lamp, plates and utensils, food, toilet paper, first aid kit.

There's no watering place near the campground. There's one at 1 km in Matapédia direction and one at 3 km in Cap-Gaspé direction. The water may not be drinkable: it's recommended to boiled water or even treated it with some product.

Fires are not allowed
